WHAT IS MIAMI CONNECTED?

Miami Connected is partnering with Miami-Dade County Public Schools (M-DCPS) to provide students and families with **two years of internet service at no cost or low cost**. Get connected in one of two ways:

Affordable Connectivity Program (ACP) is a federal government program that provides you with a \$30 monthly discount toward your internet bill with the internet service provider of your choice - in most cases, there is a no-cost option available. The program is expected to last at least 24 months.

Miami Connected is a non-governmental sponsorship program that provides you with Comcast Internet Essentials at no cost (a value of \$9.95/mo.) for exactly 24 months.

IS MY FAMILY ELIGIBLE?

Your family is eligible if someone in your household:

- ✓ Participates in government programs including SNAP, Medicaid, Federal Public Housing Assistance, SSI, WIC, or Lifeline
- ✓ Receives a Pell Grant, free or reduced lunch programs or attends a Title I school

Your family may also qualify based on household income.

HOW DO I REGISTER TO RECEIVE INTERNET AT NO COST?

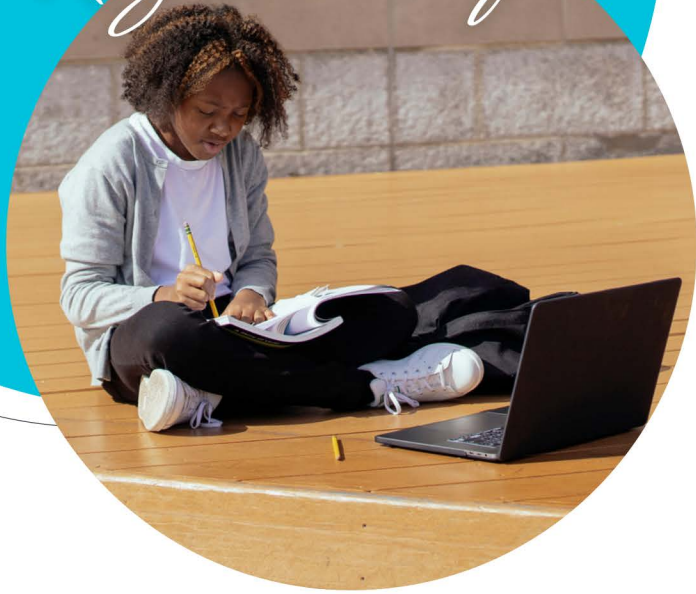

Families can complete a registration form:

- ✓ Online at MiamiConnected.org
- ✓ Or by calling (305) 204-6184

Once a family has registered, a Miami Connected Digital Navigator will reach out to the parent/guardian within a week to provide assistance and complete the enrollment process.
